

Power Steering Gear Rack 56500-3X001 56500-3X200 56500-3X000

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 56500-3X000
- Minimum Order Quantity: 10 PCS
- Price: \$52.88 ~ \$66.88
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3~30 work days
- Payment Terms: D/P, L/C, T/T
- Supply Ability: 5000 pcs per month

Product Specification

- Name: Power Steering Rack
- Applications: Automobile
- Size: Customized
- OEM: 56500-3X001
- Brand: NABO
- Standard: TS16949
- Highlight: 56500-3X001, 56500-3X200

Product Description

OEM 56500-3X001 Power Steering Rack Used For Hyundai Elantra Veloster 56500-3X000 56500-3X200

Product Description:

The power steering rack, also known as a steering gear or steering rack and pinion, is a vital component of a vehicle's power steering system. It is responsible for converting the rotational motion of the steering wheel into lateral or linear motion to control the direction of the front wheels.

Features:

- 1. Superior Construction:** Our power steering rack is crafted from high-quality materials, including robust metal components and precision-engineered gears. This construction ensures strength, durability, and long-lasting performance in various driving conditions.
- 2. Precise Steering Control:** The power steering rack converts the rotational motion of the steering wheel into lateral or linear motion, allowing for precise control of the front wheels. This results in responsive and accurate steering, enhancing the overall handling and maneuverability of the vehicle.
- 3. Power Steering Assistance:** Our power steering rack is designed to work seamlessly with the power steering system, providing the necessary assistance to reduce the effort required to turn the steering wheel. This assists in effortless maneuvering, especially at low speeds and during parking maneuvers.
- 4. Smooth and Quiet Operation:** Our power steering rack incorporates high-quality seals and bearings that minimize friction and ensure smooth operation. This results in a quiet and comfortable driving experience, with reduced noise and vibration transmitted to the steering wheel.
- 5. Quality Assurance:** Our power steering rack undergoes rigorous testing and quality control measures to meet or exceed industry standards. It is manufactured by trusted suppliers who prioritize quality and performance, providing you with a reliable and durable product.

FAQ:

1. Who are we?

We are based in Guangzhou, China, start from 2018, we are specilizing in all kinds of spare parts for Japanese cars and Korean cars, for example, engine parts, suspension parts,electric parts, steering parts,transmission parts, body parts. . .

2. How can we guarantee quality?

Always a pre-production sample before mass production;
Always final inspection before shipment.

3. Why should you buy from us from other suppliers?

We have experience in spare parts for more than 10+years
A large of stock
Professional export company
Accept small order
We can design anything well according to customers' requirment
